Corps of Engineers Will Host Tele-News Conference to Discuss National Levee Safety Program

Washington (January 31, 2007) – Leaders and experts from the U.S. Army Corps of Engineers will be available on **Thursday, February 1, 2007 at 2:30 pm ET** to discuss the national levee safety program. The Corps will provide details about the program, a list of Corps program levees of maintenance concern, as well as the next steps in the levee inspection process.

Expected to participate is Maj. Gen. Don T. Riley, Director of Civil Works.

To participate in the tele-news conference, contact Mr. Dana Cruikshank at 202-761-0289 or dana.w.cruikshank@usace.army.mil for call-in instructions.
